And having the two label sessions on August 4 and 5 works fine for me.

Thanks!

Nancy

Nancy and Kent,

By the time you're reading this, you should've seen that I've scheduled the 5 webinars with the last two being specific to the Label requirement's and tamper evident seals, etc; I will be sending this info sometime tomorrow via newsletter for potential clients. If you see that I missed something please let me know and I will be sure to change it prior to sending in newsletter.

Have a great day and thanks!
